Hello,

We want to thank you again for going above and beyond in making our wedding a spectacular event – not only for putting on a great performance, but for all of the advice and coaching that you provided.

The energy and soul that your band added to our party was incredible. Our guests are still (3 months later) talking about how great your band was!

Thank you! Martina & Arash (from New York)

„I looked after numerous international musical artists and I hired Rony B. and his band to perform at my wedding in Mallorca last October. Their professionalism was exceptional; their attention to detail was fantastic and punctuality was perfect. The performance was exactly what we ask for. They kept our guests on the dance floor throughout their performance of which everybody thoroughly enjoyed the occasion.“
