FRESH party & soul band - more than just a band the all inclusive entertainment solution for your event

Hello Mallorca-linear,

We want to thank you again for going above and beyond in making our wedding a spectacular event – not only for putting on a great performance, but for all of the advice and coaching that you provided.

The energy and soul that your band added to our party was incredible. Our guests are still (3 months later) talking about how great your band was!

Thank you! Martina & Arash (from New York)

„I looked after numerous international musical artists and I hired FRESH to perform at my wedding in Mallorca last October. There professionalism was exceptional; there attention to detail was fantastic and punctuality was perfect. The performance was exactly what we ask for. They kept our guests on the dance floor through out there performance of which everybody thoroughly enjoyed the occasion.“
